SAFEGUARDING IN CWM TAF MORGANNWG

In June 2018, the Welsh Government announced that from 1 April 2019, Cwm Taf University Health Board will be responsible for healthcare services in the Bridgend County Borough Council area. This means that accompanying partnership structures in the delivery of social services across the Western Bay region will transfer to Cwm Taf, with the creation of a new Regional Safeguarding Board for the Cwm Taf Morgannwg area.

This is the first Annual Plan for the new Cwm Taf Morgannwg Safeguarding Board.

The area of Cwm Taf Morgannwg covers the local authority areas of Bridgend, Merthyr Tydfil and Rhondda Cynon Taf with a total population of almost 440,000.

The **Cwm Taf Morgannwg Safeguarding Board (CTMSB)** is a statutory partnership made up of the agencies that are responsible for safeguarding children and adults at risk in the Cwm Taf Morgannwg area. The Board ensures that people of all ages, living in the region, are protected from abuse, neglect or other kinds of harm. This also involves preventing abuse, neglect or other kinds of harm from happening.

Keeping children and adults who may have needs for care and support safe is everyone's responsibility. This means feeling safe and being safe within their home or in their community, school, work place or anywhere else they go.

The two key **safeguarding** objectives around **protection** and **prevention** underpin the work of the Safeguarding Board and inform the priorities that we have agreed in this Annual Plan for 2019/2020.

The **Cwm Taf Multi Agency Safeguarding Hub (MASH)** sits within the structure of the Board and covers the areas of Merthyr Tydfil and Rhondda Cynon Taf. The purpose of the MASH is to act as the single point of contact for all professionals to report safeguarding concerns. This has significantly improved the sharing of information between agencies, helping to protect the most vulnerable children and adults from harm, neglect and abuse.

The **Bridgend Multi Agency Safeguarding Hub (MASH)** provides safeguarding services from both the local authority in Bridgend and its partners through co-location and virtual links. MASH provides the opportunity for a higher standard of safeguarding by providing all professionals with more information on which to make better, more informed decisions. The MASH enables earlier, higher-quality information sharing, collective risk analysis and streamlined decision-making, whilst ensuring the appropriate actions take place at the appropriate time. It also allows an opportunity for early intervention and prevention of repeat referrals.

What is Abuse and Neglect?

- Abuse means physical, sexual, psychological, emotional or financial abuse.
- Neglect means a failure to meet a person's basic physical, emotional, social or psychological needs, which is likely to result in an impairment of the person's well-being.

Safeguarding for All

The Cwm Taf Morgannwg Safeguarding Board carries out its objectives in line with the national statutory guidance as set out in Part 7 of the Social Services and Wellbeing (Wales) Act 2014. Our aim is to improve safeguarding arrangements for everyone. Collaboration between children and adults safeguarding arrangements in the area has resulted in a number of joint functions, including a joint Safeguarding Board. The Board continues to take every opportunity to collaborate across children and adults safeguarding to support joint working and the sharing of information and learning.

Who are the Members of the Safeguarding Board?

The Lead Partner for the Board is Rhondda Cynon Taf County Borough Council and the membership complies with the statutory guidance issued under Part 7 of the Social Services and Well Being Act 2014. A list of members is attached as Appendix 1.

What are the Core Functions of the Safeguarding Board?

Every Regional Safeguarding Board has a statutory responsibility to carry out core functions in relation to multi-agency safeguarding. The Cwm Taf Morgannwg Safeguarding Board carries out these day to day functions via specific committees and sub groups (see Appendix 2). These include:

- Contributing to the development, implementation and monitoring of protocols and procedures that support the protection of adults and children and to prevent abuse
- Raising awareness of the Board's objectives to protect and prevent adults and children from becoming at risk of abuse, neglect and other forms of harm, and to provide information about how this might be achieved

- Reviewing the efficacy of measures taken by agencies to implement the objectives of the Board and to make and monitor recommendations
- Undertaking child practice reviews, adult practice reviews, audits, investigations and other reviews as are required in pursuance of its objectives and to disseminate learning and information arising from these reviews
- Reviewing the performance of the Board and its partners and bodies represented on the Board in carrying out its objectives
- Facilitating research into protection from, and prevention of, abuse and neglect of children and adults at risk of harm
- Review the training needs of practitioners working in the area of the Board in order to identify training to assist in the protection and prevention of abuse and neglect of children and adults at risk of harm

WHAT ARE THE OUTCOMES THAT WE PROPOSE TO ACHIEVE THIS YEAR?

In addition to carrying out the core statutory safeguarding functions, the Cwm Taf Morgannwg Safeguarding Board has agreed a number of key priorities for improvement for the coming year. These are specific areas that will enhance and support the Board in achieving its objectives and are as follows:

- 1 Safeguard children, young people and adults at risk from the impact of domestic abuse**
- 2 Improve the way in which we communicate, engage and promote participation with our communities and partner agencies**
- 3 Ensure that the transition to the new regional footprint for safeguarding is managed effectively**

A detailed work plan for the Board and its sub groups will sit underneath this strategic Annual Plan. The work plan will include the actions required to achieve the improvements required, who is responsible, timescales and measures of success. The progress of the work plan will be monitored and reviewed on a quarterly basis and will form the basis of the Annual Report for 2019/2020.

An overview of what the Board intends to do to achieve its priorities for the coming year is detailed below.

Strategic Priority 1: Safeguard children, young people and adults at risk from the impact of domestic abuse

Domestic abuse involves any type of controlling, bullying, threatening or violent behaviour between partners or family members, regardless of age, gender or sexuality.

All forms of domestic abuse have a profound effect on those who experience it. The impact that domestic abuse can have on children and young people is devastating and can lead to problems in adulthood and have a detrimental impact on their mental health and wellbeing. This is a similar case for older people, but often the domestic abuse may not be as visible or they may not be aware of the support that is available to them. Some people will be more vulnerable to domestic abuse, such as disabled people who may not have the ability to defend themselves and/or be less able to access support.

In Cwm Taf, between January and December 2018, there were 980 high risk domestic abuse cases referred in to the MARAC¹ process.

The Violence against Women, Domestic Abuse and Sexual Violence (Wales) Act 2015 sets out the requirements for an improved collective public sector response to the way these issues are addressed, to support victims and to prevent abuse from happening. There are Steering Groups that sits under the Cwm Taf and Bridgend Community Safety Partnerships to deliver regional strategies for VAWDASV.

The Safeguarding Board will therefore deliver this strategic priority in conjunction with the Community Safety Partnership to achieve the best outcomes possible for victims and their families.

Strategic Priority 2: Improve the way in which we communicate, engage and promote participation with our communities and partner agencies

The Safeguarding Board is required to raise awareness with the public of the need to protect and prevent children, young people and adults from becoming at risk of abuse, neglect and other forms of harm, and provide information about how this can be achieved. As part of developing a positive culture of learning the Board also needs to ensure that information is widely disseminated within the workforce to inform them about best practice and learning arising from reviews, audits and other Board activities.

It is also necessary for us to provide children, young people and adults with an opportunity to participate in our work. We want to do this creatively to raise the profile of safeguarding in the region. This year we aim to increase the amount of engagement with the public, improving links with local forums and activity groups to ensure the voices of the people we support are thoroughly embedded into our work.

We also want to ensure that all feedback provided as a result of these activities is recorded and evaluated.

The Board has an established Group whose aim is to ensure that there are clear processes in place for the identification of engagement and participation needs and to capture the activities of partner agencies in meeting these needs. To enhance this function, the statutory partner agencies of the Board committed additional resources in 2019 to secure a dedicated post to support this work.

From 1 April 2019, the Board will be responsible for safeguarding in Rhondda Cynon Taf, Bridgend and Merthyr Tydfil and agreement has been provided to the Welsh Government that this new Board will be called the Cwm Taf Morgannwg Safeguarding Board. The Welsh Government statutory guidance under Part 7 of the Social Services and Wellbeing (Wales) Act 2014 is currently being revised to reflect the changes to the regional footprint for the Safeguarding Board.

This process of transition requires effective planning and management to ensure that the Board and its partner agencies can continue to carry out core safeguarding functions during this time of change. Following a joint development day, the management of the transition process has been agreed as one of our strategic priorities this year.

WHO DO WE INTEND TO COLLABORATE WITH TO ACHIEVE OUR OBJECTIVES?

Working in partnership with other agencies is integral to the work of the Board. This not only applies to agencies within the region but may also involve wider collaboration with other Boards and agency across the UK e.g. when undertaking child and adult practice reviews.

There may also be occasions when the Board will need to engage with other organisations to carry out its functions more effectively. This may be on an ad-hoc basis or as part of a more permanent arrangement via Board or Sub Group membership.
