

# Ask & Act

## Train The Trainer

### Group 3

Group 3 training is for those who are working closely with families experiencing forms of violence against women, domestic abuse and sexual violence in their current job role (but who do not specialise in this area) and those who perform the role of workplace champions.

It is expected that participants that take Group 3 will have already completed Group 2; who have a lead responsibility to act on violence against women, domestic abuse and sexual violence (e.g. safeguarding nurses, specialist midwives); or work with a client group experiencing high prevalence of violence against women, domestic abuse and sexual violence (such as social workers, those working in mental health and substance use settings); or those who are required by their organisation to fulfil a “champion” role within a frontline team.

#### Key differences between group 2 and 3:

- Accredited at Level 3
- Continued focus on VAWDASV;
- Offers more resources and information for supervising and supporting frontline teams delivering Ask & Act;
- A broader focus on the “whole family”
  1. Includes children as direct victims and as witnesses
  2. Includes perpetrators
