CALL OUT ONLY PARTNER PACK DECEMBER 2021

GWYBODAETH I BARTNERIAID

Y cyd-destun

Rydym yn parhau i glywed adroddiadau am fenywod a merched ifanc yn cael eu haflonyddu'n rhywiol ar strydoedd Cymru. Peidiwch â chamgymryd, mae hwtian, chwibanu, stelcio a gwneud sylwadau rhywiol yn fathau o aflonyddu rhywiol ac ni ddylid eu goddef.

Gellir atal pob math o drais a chamdriniaeth yn erbyn menywod a merched. Mae agweddau a chredoau sy'n cydoddef a normaleiddio ymddygiad camdriniol yn bodoli ar gontinwwm o 'gellwair' a jôcs rhywiaethol i aflonyddu, traus a hyd yn oed llofruddiaeth.

Mae'n rhaid i ni bwysleisio bod yr ymddygiadau hyn yn annerbyniol, yn ddieisiau, yn sarhaus ac yn annerbyniol – ac mae rhai ohonynt yn droseddau. Ni fydd Cymru'n cadw'n dawel am stelcio, aflonyddu rhywiol na chamdriniaeth. Mae angen newid diwylliant fel nad yw aflonyddu rhywiol o unrhyw fath yn cael ei oddef mwyach.

Nod y cam '**DIM ESGUS**' o'n hymgyrch 'Paid â gwneud hwn yn lle i'w ofni' yw ceisio codi ymwybyddiaeth o stelcian, aflonyddu, traus a chamdriniaeth yn erbyn menywod, ble bynnag y bônt. Ar y stryd. Yn y gweithle. Ar-lein. Gartref. Mewn bar. Tra byddant yn ymarfer corff. Ar drafnidiaeth gyhoeddus.

Rydym eisiau tynnu sylw at y cymorth sydd ar gael a rhoi cyngor ymarferol i'r rhai a allai fod yn profi aflonyddu rhywiol, stelcian neu gamdriniaeth, neu sydd wedi eu profi. Rydym eisiau helpu pobl eraill sy'n bresennol i adnabod yr ymddygiadau hyn a gweithredu'n ddiogel os byddant yn eu gweld. Rydym eisiau i'r rhai sy'n cyflawni'r ymddygiadau hyn fyfrio ar eu gweithredoedd a sylweddoli eu bod yn annerbyniol. A, phan fydd hynny'n ddiogel, rydym eisiau i gyfoedion herio ymddygiad amhriodol eu ffrindiau.

Pan fydd dynion yn herio ymddygiad camdriniol ac esgusodion, maen nhw'n rhoi cyfle i newid y naratif sy'n niweidio menywod a merched a dynion a bechgyn, bod yn rhan o'r ateb a gweithio i roi terfyn ar drais a chamdriniaeth a hyrwyddo diwylliant o gydraddoldeb a pharch. Maen nhw'n hyrwyddo ymddygiad iach.

Nid yw herio pobl eraill am eu hymddygiad/au camdriniol yn ymwneud â chodi cywilydd arnynt na chychwyn cweryl dig. Mae'n ymwneud ag addysgu ac annog newid mewn agweddau.

Nid yw pobl yr un mod hyderus â'i gilydd wrth herio sylw rhywiol neu ymddygiad amhriodol. Felly, mae'n hanfodol ein bod ni ond yn herio ymddygiadau ac agweddau amharchus neu niweidiol yn y ffyrdd sy'n fwyaf diogel i ni, a phawb sy'n gysylltiedig.

Yr ymgrych

Mae'r ymgrych hon yn defnyddio DIM OND fel cyfrwng i herio canfyddiadau a helpu i sbarduno'r newid mewn ymddygiad. Mae'r geiriau DIM OND yn cael eu defnyddio'n aml i esgusodi ymddygiad amhriodol. Fe'u defnyddir gan ddynion wrth sgwrsio i gyfiawnhau eu gweithredoedd. Fe'u defnyddir gan bobl i fychanu ofnau go iawn menywod.

Mae'r ymgrych hon yn pwysleisio sut mae gweithredoedd sy'n ymddangos yn ddiniwed a ragflaenir gan y geiriau DIM OND yn dod yn fwy sinistr o lawer pan dynnir y geiriau DIM OND.

I fenywod sy'n profi'r ymddygiadau hyn bob dydd, mae'r ymgrych hon yn dweud wrthynt fod eu hofn yn wirioneddol, a bod cyfiawnhad iddo. Mae'n dweud wrthynt ein bod ni'n eu clywed a'u gweld. Mae'n dweud wrthynt fod yr hyn maen nhw'n ei feddwl, ac yn ei deimlo, yn cael ei rannu.

Yn bwysicaf oll, mae'n dweud wrthynt eu bod yn iawn i feddwl a theimlo fel yna.

Mae arnom angen eich cymorth

Ymgyrch gyfathrebu integredig ar draws Cymru gyfan yw hon, gyda thair ffrwd o weithgarwch rhwng 10 Rhagfyr 2021 ac 20 Mawrth 2022.

Yn ogystal â negeseuon cyffredinol, mae'r ymgyrch hefyd yn canolbwyntio ar ymddygiadau sy'n digwydd yn y nos, wrth ymarfer corff ac ar drafnidiaeth gyhoeddus. Rydym yn rhoi hysbysebion ar Spotify, ar y radio, ac ar sianeli digidol a chyfryngau cymdeithasol. Rydym hefyd yn canolbwyntio ar leoliadau y tu allan i'r cartref fel campfeydd, trenau a bysiau.

Rydym eisiau i bobl gael mwy o wybodaeth drwy ymweld â gwefan yr ymgyrch – llyw.cymru/dimesgus.

Bydd eich cymorth yn caniatáu i ni godi ymwybyddiaeth o'r mater, a'r cymorth a'r cyngor sydd ar gael, trwy rannu gwybodaeth ar draws eich sianeli a'ch rhwydweithiau. Mae'r pecyn partneriaid hwn yn cynnwys yr asedau creadigol a'r negeseuon ar gyfer y ffrwd gyntaf, sy'n canolbwyntio ar yr economi nos yn ystod tymor yr wyl, pan fydd pobl allan yn dathlu'r Nadolig a'r Flwyddyn Newydd.

Bydd gwybodaeth ychwanegol yn cael ei darparu ar gyfer yr ail ffrwd ym mis Ionawr, a fydd yn codi ymwybyddiaeth o ymddygiadau mewn lleoliadau ymarfer corff, dan do ac yn yr awyr agored, ac ar gyfer y drydedd ffrwd, a fydd yn canolbwyntio ar aflonyddu a brofir ar drafnidiaeth gyhoeddus a phwyslais arall ar yr economi nos.

Diolch am eich cymorth hyd yma.

Rydym wedi cynnwys negeseuon cyfryngau cymdeithasol yn y pecyn hwn. Os byddwch yn rhannu negeseuon, defnyddiwch hashnod yr ymgyrch #DimEsgus.

INFORMATION FOR PARTNERS

The context

We continue to hear accounts where women and young girls are sexually harassed on the streets of Wales. Make no mistake, catcalling, wolf whistling, stalking and making sexual comments are forms of sexual harassment and should not be tolerated.

Violence and abuse against women and girls in all its forms is preventable. Attitudes and beliefs that condone and normalise abusive behaviour exist on a continuum from sexist jokes and 'banter' through to harassment, rape and even murder.

We must make it clear that these behaviours are unacceptable, unwanted, offensive and objectionable – and some are criminal offences. Wales will not be a bystander to stalking, sexual harassment or abuse. There needs to be a culture change so that sexual harassment in all its forms is no longer tolerated.

The 'Call out **ONLY**' phase of our 'Don't make this a place of fear' campaign aims to raise awareness of stalking, harassment, violence and abuse against women wherever they are. In the street. In the workplace. Online. At home. In a bar. While exercising. On public transport.

We want to highlight the support available and provide practical advice for those who may be experiencing, or have experienced, sexual harassment, stalking or abuse. We want to help bystanders recognise these behaviours and take safe action if they witness them. We want those inflicting these behaviours to reflect on their actions and realise they're unacceptable. And, when it is safe to do so, we want peers to call out their friends' inappropriate behaviours.

When men call out abusive behaviours and excuses, they provide an opportunity to change the narrative that harms women and girls and men and boys, be part of the solution and work to end violence and abuse and promote a culture of equality and respect. They are advocating healthy behaviours.

Calling out others on their abusive behaviour/s is not about humiliating or shaming them, or engaging in angry altercations. It's about educating and encouraging a change in attitudes.

Everyone has different levels of confidence when it comes to challenging a sexist comment or inappropriate behaviour. Therefore, it is vital that we only call out disrespectful or harmful behaviours and attitudes in ways that are safest for ourselves, and everyone involved.

The campaign

This campaign uses ONLY as the vehicle to challenge perceptions and help drive the change in behaviour. The word ONLY is frequently used to excuse inappropriate behaviour. It gets used in conversation by men to justify their actions. It gets used by people to dilute women's genuine fears.

This campaign highlights how seemingly innocuous actions that are preceded with the word ONLY become altogether more sinister when the word ONLY is removed.

For women who are subjected to these behaviours every day, this campaign tells them that their fear is real, and it is justified. It tells them that we hear them and see them. It tells them that what they're thinking, and feeling, is shared.

Most importantly, it tells them that they are right to think and feel the way they do.

We need your support

This is a pan-Wales, integrated communications campaign with three bursts of activity between 10 December 2021 and 20 March 2022.

As well as generic messaging, the campaign also focuses on behaviours that happen at night-time, while exercising and on public transport. We are running adverts on Spotify, radio, and digital and social media channels. We are also focusing on Out of Home settings such as gyms, trains and buses.

We want people to find out more by visiting the campaign website – gov.wales/calloutonly.

Your help will allow us to raise awareness of the issue, and the support and advice that is available by sharing information across your channels and networks. This partner pack includes the creative assets and messaging for burst one, which focuses on the night-time economy during the festive season, while people are out and about celebrating Christmas and New Year.

Further information will be provided for burst two in January, which raises awareness of these behaviours in exercise settings, both indoors and outdoors, and for burst three, which will focus on harassment experienced on public transport and another focus on the night-time economy.

Thank you for your support so far.

We have included social media messaging in this pack. If you share messages, please use the campaign hashtag #CallOutOnly.

If you have any questions, feedback on where creatives have been shared or would like to discuss a specific opportunity for us to share the campaign, please contact us at **VAWDASV@gov.wales**
