SURVIVOR HUB

Supporting Survivors of CSAM

www.echosurvivors.org

ECHO Survivor Hub is a pioneering service aiming to transform the response to child sexual abuse material victims and survivors by...

Actively searching for and removing survivors' imagery from circulation.

Prompting technology companies to proactively remove survivors' imagery.

Supporting law enforcement to engage with survivors for future investigations.

Increasing awareness of compensation options and supporting legal representatives to explore civil remedy.

Listening to the needs of survivors, supporting them and offering access to psychoeducational materials to enhance wellbeing and healing

**Help us connect victims and survivors with the ECHO
Survivor Hub to access support.**
